 BIOGRAPHY

About

Born 1981 in Votkinsk (Pre-Ural region), Andrey built his reputation as a vinyl collector and DJ over 25+ years, gaining recognition across 60+ countries. His professional DJ career began at age 15, developing a deep passion for electronic sound despite limited access to underground culture information during the Soviet era. Resident DJ at DeepMix.ru (2006-2011), broadcasting non-commercial techno to 53 countries. Featured protagonist in the 2013 documentary Kvadrat (directed by Anatoly Ivanov). Producer specializing in ambient and dub; releases on Circus Company, Endless, Lessizmore, and Thule Records. Founder of Luck of Access label (2017). Performances at clubs, festivals, Boiler Room, and Mixmag Lab.
